

MARCH 23, 2020
COVID-19 WORK PLACE AND COMMUNITY PRECAUTIONS

As we monitor the rapidly changing nature of COVID-19, we want to update you on how we are handling our business to protect the health and safety of both you and our team.

Office personnel are either working from home or following a staggered schedule. Office disinfecting schedules are in place.

No outside visitors, vendors or deliveries to front office spaces.
Warehouse deliveries are accepted and signed for in the warehouse.

Technicians will wear protective equipment if entering your home is necessary for instruction or equipment installation only.

Please use your personal pen or stylus or one provided by the technician for you to keep when signing on paper or screen devices.

Repairs and replacements of heating and air systems will continue as usual.

Duct cleaning and duct replacement will be suspended until further notice. Minor duct repairs will continue as needed.

Air scrubbers with ultraviolet lights are available to install. Ask your technician about these.

Follow CDC Guidelines for remaining safe during COVID-19 Pandemic.

STAY SAFE AND WASH YOUR HANDS AND WIPE DOWN ALL HARD SURFACES INCLUDING ELECTRONIC DEVICES!
